SEYMOUR SUDMAN STUDENT PAPER COMPETITION

Students must submit a paper relating to the study of public opinion, whether they focus on theory, substantive findings, research methods, and/or statistical techniques used in such research. The student must be the primary author and does not have to be an AAPOR member.

STUDENT CONFERENCE AWARD

Students must be first time Annual Conference attendees, full-time students (including Post-Doctoral scholars), and enrolled in college or university programs that teach or use survey and/or public opinion research methods as central tools for research and analysis. Applicants do not need to be an AAPOR member

AAPOR STUDENT INCLUSION FELLOWSHIP

tThis fellowship is open to students of historically underrepresented groups interested in the study of public opinion and survey research methodology. Ten students will attend the Annual Conference, meet the association leaders, have an assigned conference guide, the opportunity to present a poster, and receive a $750 travel stipend.

AAPOR Student Inclusion Fellowship

AAPOR is pleased to announce the newest opportunity to engage students in the field of public opinion research: The AAPOR Student Inclusion Fellowship.

This fellowship is a reimagining of the successful Student-Faculty Diversity Pipeline Award and the AAPOR Experience Program in order to recognize historically underrepresented racial-ethnic student groups in a more meaningful way at the AAPOR Annual Conference. AAPOR believes that the scholarly and practical understanding of our discipline is enhanced by the presence and involvement of different perspectives and creative thought. Such diversity and inclusion lead to consequential research, improved interdisciplinary collaboration, and a greater ability to address, understand, and solve problems related to public opinion and survey research methodology.

A committee will select 10 students to receive a complimentary conference registration and AAPOR student membership, as well as a $750 travel stipend.

Eligibility Requirements:

- LOCAL TO OR ABLE TO TRAVEL TO ST LOUIS MAY 14 – 16, 2025
- FROM ECONOMICALLY DISADVANTAGED BACKGROUNDS AND/OR IDENTIFY AS BELONGING TO AN UNDERREPRESENTED PROTECTED CLASS AS DESCRIBED BY THE UNITED STATES FEDERAL GOVERNMENT.
- CURRENT GRADUATE STUDENT STUDYING STATISTICS, COMMUNICATIONS, PUBLIC OPINION, SURVEY METHODOLOGY, SOCIOLOGY, PUBLIC POLICY, PSYCHOLOGY, POLITICAL SCIENCE, STEM, OR OTHER DIRECTLY RELATED FIELDS
