### **Conference Connection Emails - \$2,500**

AAPOR's Conference Connection email series is the premier way to highlight your organization before the conference. The regular email series is pushed every two to three weeks from February through May 2023 and is the consolidated way to get conference updates. Each issue will feature a specific aspect of the conference from registration to the plenary, to special networking events. Included in that list of features will be a banner ad for your organization that links directly to your website. Conference Connection emails are seen by over 2,600 people.

### **Conference Mobile App - \$7,000**

Be the sponsor of our popular conference mobile app! The app houses all of the most important conference information and is the best way to get up-to-the-minute details for everything happening at the event. The app can be used to view the schedule, read session descriptions, find exhibitors, and get maps of the hotel.

Opportunities are available to sponsor one of four daily emails or sponsor all four emails for a reduced rate. Daily emails are sent to all attendees (about 1,200!) and placed on the AAPOR website for public access.
