**EXHIBITING OPPORTUNITIES**

**Exhibit Space, Contractor, and Security**
All decorating and exhibit furniture will be handled by the conference decorator. Each 10’ x 10’ space includes one (1) 6-foot table, two (2) chairs, and a waste basket. Exhibitors will be given an exhibitor service kit with information about ordering additional furniture, electrical services, internet, or other booth supplies. Shipping information will also be included. Exhibitors are responsible for all freight, drayage, decorating, furniture, and labor charges. Exhibit kits will be sent in mid-February 2024.

The Exhibit Hall will lock at the end of each day’s events. As the hall will be locked, additional security service will not be provided. It is the responsibility of each exhibitor to protect display material from loss and damage. Please be certain that all small display and personal items are secure before leaving the booth – even temporarily.

**Exhibit Personnel**
All participants affiliated with exhibits must be registered for the AAPOR Conference. All attendees, including exhibitors, must be fully vaccinated and have at least one booster for the COVID-19 virus prior to arriving at the conference. Other health measures may also be required, depending on the public health conditions at the time. Vaccination status will be checked during the registration check-in process onsite. Registration information, including promo codes to waive the included registration fees, will be provided in February 2024.

**Booth Assignment Policy**
Booth assignments will begin in early February 2024. Priority will be given to the highest-contributing sponsors, then by the order in which contracts were received. No booths will be assigned without full payment. AAPOR reserves the right to determine final exhibit booth assignments. Exhibitors wishing to avoid assignment of space near a competitor should indicate this on the booth contract. AAPOR reserves the right to alter the floor plan at any time.

**Lead Retrieval**
Exhibitors may opt to purchase lead retrieval services through AAPOR’s registration vendor. This service is a paperless way to collect contact information for all attendees who visit your booth. Simply use the provided device to scan the QR code on attendee badges and their details will be saved for you. The cost for this service is $400.
ADVERTISING OPPORTUNITIES

**Online Program**
The online program platform serves as a one-stop shop for all attendee needs, including links for hotel information, conference events, registration, and details of all conference sessions. The ads in the program will be seen by all attendees as they browse the detailed conference agenda and curate their attendance for the event. Ads will be placed either on the home page of the program or the interior pages of the program and will rotate upon page refresh.

Broaden your reach by choosing an à la carte sponsorship opportunity. The opportunities below ensure that your organization makes an impact on all conference attendees. These opportunities are available to any organization. You do not need to purchase a sponsorship package above to purchase the options below.

All à la carte sponsors will receive the following:

- Company listing in the digital and printed conference programs and the mobile app for the specific opportunity chosen
- Recognition on the AAPOR website

SAY MORE WITH AAPOR

Choose these opportunities to have your logo in the hands of attendees throughout the conference.

Commemorative Item - $4,000
Increase your organization’s name recognition by putting something in the hands of every attendee at the conference. Sponsors provide the branded product, subject to AAPOR approval.

Conference Connection Emails - $2,500
AAPOR’s Conference Connection email series is the premier way to highlight your organization before the conference. The regular email series is pushed every two to three weeks from February through May 2024 and is the consolidated way to get conference updates. Each issue will feature a specific aspect of the conference from registration to the plenary, to special networking events. Included in that list of features will be a banner ad for your organization that links directly to your website. Conference Connection emails are seen by over 2,600 people.

Conference Mobile App - $7,000
Be the sponsor of our popular conference mobile app! The app houses all of the most important conference information and is the best way to get up-to-the-minute details for everything happening at the event. The sponsor of the mobile app is acknowledged in the app via an opening splash page and the in-app banner ad at the top of the screen. The app can be used to view the schedule, read session descriptions, find exhibitors, and get maps of the hotel.

Conference Wi-Fi - $5,000
Help conference attendees get all the information they need by sponsoring the conference wi-fi network. In addition to standard sponsor recognition, the sponsor of this opportunity will be recognized in the network password.

Daily Onsite Emails - $1,000 for one, $3,500 for all four
Every evening of the conference, attendees receive a daily email that recaps the day’s events and provides an advance of what’s coming up the next day. Have your organization featured in these emails so that it can be seen by conference attendees each day through a banner ad immediately following the email header! Opportunities are available to sponsor one of four daily emails or sponsor all four emails for a reduced rate. Daily emails are sent to all attendees (about 1,200!) and placed on the AAPOR website for public access. In addition to being emailed, links to the daily emails are featured on the AAPOR conference website.
